one of the most controversial issues in our society today especially within evangelicalism is that of the creation evolution debate over the past few decades fundamentalist apologists like ken ham of the young earth creationist organization answers in genesis have made a career convincing people that the age of the earth and the historicity of genesis 1 11 are not just bedrock fundamental tenets of the christian faith but are also crucial fronts in the culture war in the heresy of ham joel edmund anderson convincingly shows that not only are the yecist claims of ken ham unbiblical and unscientific but they have sowed the seeds of strife and division within countless christian communities he should know he lost his job as a biblical worldview teacher at a small evangelical school over the issue of yecism anderson s ultimate message is simple regardless of your position regarding evolution or the interpretation of genesis 1 11 they are not fundamental to the christian faith and should not be used as battlefronts in the culture war if you have always had questions about the creation evolution debate the claims of yecism and the way genesis 1 11 should be interpreted the heresy of ham is a tremendous resource for anyone struggling coming to grips with these issues

oxford s variorum edition of william blackstone s seminal treatise on the common law of england and wales offers the definitive account of the commentaries development in a modern format for the first time it is possible to trace the evolution of english law and blackstone s thought through the eight editions of blackstone s lifetime and the authorial corrections of the posthumous ninth edition introductions by the general editor and the volume editors set the commentaries in their historical context examining blackstone s distinctive view of the common law and editorial notes throughout the four volumes assist the modern reader in understanding this key text in the anglo american common law tradition book i of the rights of persons covers the key topics of constitutional and public law blackstone s inaugural lecture on the study of the law introduces a series of general essays on the nature of law including a chapter on the absolute rights of individuals this is followed by an extended account of england s political constitution the various categories of people or subjects are then surveyed with special attention to the rights and obligations of masters and servants husbands and wives parents and children and lastly artificial persons or corporations in addition to david lemmings introduction to the volume book i includes an introduction from the general editor wilfrid prest
