alongside those who inspired the early church
this versatile companion is a rich source of inspiration for preaching and leading prayers and worship
throughout the year it is now updated to include figures added to the common worship calendar in recent years

there are two new and mysterious races of vinctalin on earth
while pakow lam fellen launches a spectacular retaliatory attack on one group
the other covertly observes the scene of awesome vengeance
when those conflicts finally are resolved the united citizens of earth re establish the scheme for
integrating vinctalites and veekenites in one harmonious society
fate conspires against them in many forms ranging from a very real and horrific
reason for that old vinctalite taboo through outrageous theories of treason to an abominable unthinkable religion

the glorious emperor ex slave to the vinctalin could prove to be their one enemy
capable of destroying them and he does not think small
believing he has the means to save humanity to say nothing of wreaking vengeance on his evil tormentors
pakow lam fellen leads an attack on the vinctalin home world
only the raving traumatised psychiatrist can see the flaw in his plan
because only he has come to understand the nature of the beasts
the retaliatory strike on the vinctalin increases hugely in complexity and scale and horror
as a simple surgical strike turns into a mass attack on a number of solar systems

in an attempt to be accepted as vinctalin
zondex has sent a message deep into space offering for trade the very items that could maintain world
security while pakow leads his fleet in defence of earth
stanzi must take charge of the battle against zondex's remaining super guards who are trying

to take over the world independently of their creator meanwhile the inhabitants of earth's one functioning town have scattered in evacuation unaware of the danger of one small ship that slips through pakow's defences in search of a piece of technology with a value the custodians can hardly guess at

they have heard so many stories now that the humans of earth are understandably sceptical when told their ancestors did not in fact originate on this planet however there is an unsettling ring of truth tying that claim to the notion that jacob stanzini is attracting a spectral being who may be merely an initial scout for a potentially annihilative incursion into this world

this is not a story of chance but one of the legacy of a bio engineer who made one colossal error when halbolival created its own slave armies it failed to realise the nature of the source of the majority dna utilised in that diabolical project and it was ignorant of the existence of that same dna in one planet harvested by its clan by bringing together the slaves created in its laboratories with the progeny of ancient settlers on earth halbolival set the scene for the only creditable resistance to vinctalin rule in the galaxy

eighteen months ago earth was thriving now it is reduced to a deserted wilderness containing one oasis of frenetic activity the town in england newly named foundation earth's valiant hero benjamin stanzini has sacrificed his all and lived long enough to see the survivors safe at last he can let go but while he's in free fall earth's leaders come to realise that their saviours are not all they claim to be the magnificent emperor one time slave to the vinctalin joins forces with the earth humans in the fight against the beasts with growing trust the leaders of earth's tiny community are forced to re-evaluate old enemies as well as new found allies

so called allies seem to be almost as much a threat to earth's alliance as the vinctalin themselves secrets lies and false histories have been the order of the day for millennia who really runs the abs home world what are they hiding what is the truth regarding the massacre of hundreds of thousands of pakow's guards and what did zan discover on that strange device the ovinka determined to get the answers to these questions jonathan hatches his most audacious plot yet in the process he takes veekeerites and vinctalites one step closer to understanding their origins while alex uncovers the truth about veekeerens

presents an introduction to environmental protection describing a variety of ways that young people can work together to support the planet
