wolf totem and the post mao utopian by li xiaojiang explores the controversial best selling novel by the political
economist jiang rong as an allegory of utopia through discussion of an encyclopaedic range of scholarship in the
humanities and social sciences that offer thinking on topics introduced in the novel in promoting the significance
of utopian thought li stresses that the term for her study post utopian criticism is not the same as anti utopian
criticism but an analytical approach to criticism in order to addresses the shortcomings of postmodern and
postcolonial theories applied to contemporary china and to open up interpretive space for the specific historical
experience of its people and its utopian ideals
