the wounded physician project is a fresh investigation into and the solution for the primary causes of private medical practice financial failure which today impacts not only the disintegration of private medical practice but also the overwhelming increasing attrition of physicians today the root cause has been ignored completely by medical educators for a century in spite of knowing the importance of resolving this issue and the enormous value and benefits it provides for every practicing physician today the complete elimination of these problems that all physicians in private medical practice have always had and now today is responsible for the frustration and deep disappointment over 50 of physicians have with their careers in medicine can be resolved almost immediately the implementation of some very critical educational elements into the medical school curriculums is the answer to this persistent egregious enigma that is far overdue and mandatory the healthcare and medical profession are going through a revolution now that will not only destroy professional healthcare provider s careers but also will become the greatest impediment for quality medical care in our nation if the contents of this book are not heeded

after seeing 43 patients in just one day as a physical therapy student aaron lebauer knew he could not treat patients effectively in the insurance model he opened his 100 cash based clinic lebauer physical therapy the day he graduated with his doctor of physical therapy degree he did this so he could treat patients the way he knew they needed to be cared for not the way the insurance companies dictated everyone he told about his plan to charge 100 or more per visit for physical therapy scoffed rolled their eyes in disbelief said it was impossible or that no patient would ever pay more than their copay for physical therapy over the next decade lebauer built his successful physical therapy clinic with his wife in greensboro nc not only has the clinic had a waiting list but it has also employed an additional therapist and started offering wellness services all the while lebauer still has plenty of time off to travel with his family
